THE STALWARTS OF SEC – 1

*In life, don't wait
for a perfect moment;
Take the moment and
make it perfect*

*Indira
Thakkar*

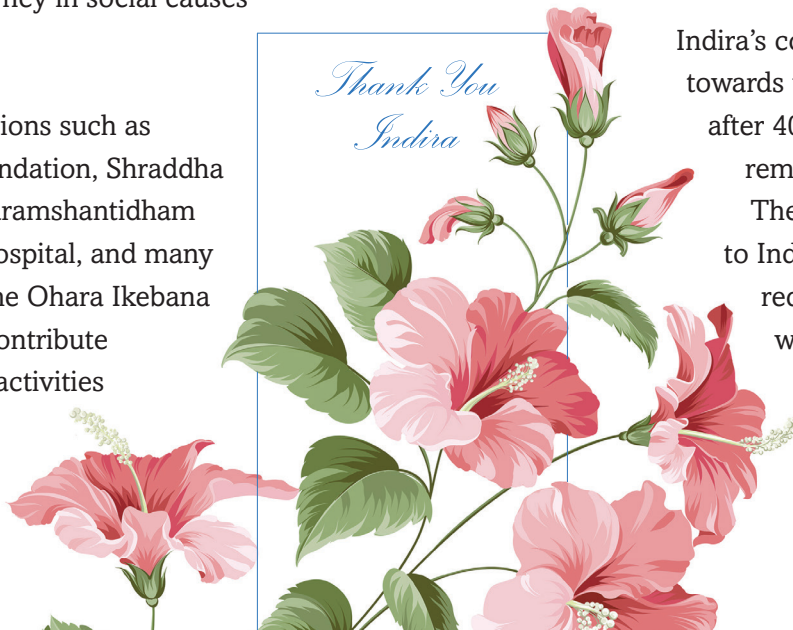

Integrity, empathy, discipline, and hard work are some of the attributes that one must possess to do good work. SEC has several of them who spend their time in the cause of the people who are not as fortunate as they are. In this issue we would like to express our gratitude to Mrs. Indira Dilip Thakkar. Born and brought up in East Africa, Indira came to Mumbai when she got married to the renowned Chartered Accountant Mr. Dilip Thakkar. Blessed with two daughters, she began her journey in social causes very early in life.

She is associated with institutions such as Shanti Avedna, Sanskrita Foundation, Shraddha Rehabilitation Foundation, Paramshantidham Vridhasram, Netrajyot Eye Hospital, and many others. She is also a part of the Ohara Ikebana and the Time Group, which contribute towards Indira's many social activities and by having fund-raisers.

The cause closest to her heart is SEC school where she has been a member on its Committee for the past 40 years. When the school was building its own premises at Naigaon, it was Indira's contribution of Rs. 50 lakhs, through her mother's Kantaben Chhaganlal Suchak Foundation, which served as a big support. Whether it is SEC Annual Day function or any other activity at SEC, Indira is always in the forefront. Her entire family and extended family help the Institution through sponsorships and donations.

*Thank You
Indira*

Indira's commitment towards the school even after 40 long years remains unabated. The school looks up to Indira whenever it requires support, as we know that Indira would always be there for us.

Back to school

June 2022, the start of the school year seemed more overwhelming than ever before. One could observe the mixed feelings of emotions, excitement and joy among the students, parents, and teachers at all the units of SEC. The children were overwhelmed with the love and welcome offered to them by the teachers on their first day back at school.

Our Pride... Our Joy!

SEC is beside itself with happiness to announce the results of our ex-students who have cleared milestones in their academics this year. They are our pride, our joy!

We wish them great success in their lives.
